

# GRACE ABOUND

By: gloryfall

**INTRO:** C/E – F – G (4x)

## VERSE 1:

Am                      F      C                      Am                      F      C  
I fall short, but Your grace abounds. The price was paid I walk in victory.  
Am                      F      C                      Am                      F      C  
No sin or shame is greater than the blood that was shed for me at Calvary.

## PRE-CHORUS:

C/E – F – G                      C/E – F – G  
I will receive.                      I will receive.

## CHORUS:

Am – F      C      G                      Am – F                      C      G  
Your grace abounds; it covers me. | Your grace abounds; it brings liberty.  
Am – F      C      G                      Am – F      G  
Your grace abounds; completing me. | Your grace abounds; it abounds in me.

**INTERLUDE:** C/E – F – G (2x)

## VERSE 2:

Am                      F                      C      Am                      F                      C  
Freely You gave, I choose to receive, give You my life, confess You as King.  
Am                      F      C                      Am                      F                      C  
Bought by blood, standing in the Son. Righteous, pure, and justified by grace alone.

## REPEAT PRE-CHORUS

## REPEAT CHORUS

## BRIDGE 1:

F                      Am                      G      F                      Am                      G  
What will I do with the gift You have given me? What will I do with the freedom, joy, liberty?  
F                      C                      G                      Am  
I'm gonna speak Your Word. I'm gonna shout Your Name.  
F      C      G      Am  
Dance and sing because You are King.  
F      C                      G      Am  
I'm gonna walk in peace I'm gonna live in joy.  
F      C                      G      Am  
Your Spirit lives in me, I have a destiny.

## BRIDGE 2:

F                      G      Am  
I've got the joy joy joy joy, I live in joy.  
F                      G - Am  
I've got the peace peace peace peace, security.  
F                      G                      Am  
My body's whole whole whole whole, I have good health.  
F                      G                      F  
I walk in faith faith faith faith, my hope's in You.
