

# HELPING HAND

**INTRO:** Bb - F/A - C (x2)

## VERSE 1:

Bb                    F/A        C  
Saw it in the news today  
Bb                    F/A                    C  
Images that froze me on my way  
Bb                    F/A                    C  
Something deep within was stirred  
Bb                    F/A                    C  
A feeling that was lost I'd left unturned

## CHORUS:

Dm    Bb                    F                    C  
Your love and compassion for the lost  
Dm    Bb                    F                    C  
Your peace that floods the innermost  
Dm    Bb                    F                    C  
Your strength to raise a helping hand  
Dm    Bb                    F                    C  
Your heart that brings healing to the land

## VERSE 2:

Bb                    F/A                    C  
May I see through Your eyes  
Bb                    F/A                    C  
See each person as a valued prize  
Bb                    F/A                    C  
Take me from the comforts that I hold  
Bb                    F/A                    C  
It won't take a tragedy for me to show

## REPEAT CHORUS

**INTERLUDE:** Bb - F/A - C (x2)

## BRIDGE:

Bb                    F/A                    C  
I don't wanna turn the other way  
Bb                    F/A                    C  
There's an urgency I know  
Bb                    F/A                    C  
Your heart goes out to them each and every day  
Bb                    F/A                    C  
You're calling for the church to rise and show

## REPEAT CHORUS

**OUTRO:** Bb - F/A - C (x2)
